

America was not built on fear. America was built on courage, on imagination and an unbeatable determination to do the job at hand.

Harry S Truman

I believe our flag is more than just cloth and ink. It is a universally recognized symbol that stands for liberty, and freedom. It is the history of our nation, and it's marked by the blood of those who died defending it.

John Thune

When I grew up, I only had two dreams. One was to be a cowboy and another was to be in the military. I grew up extremely patriotic and riding horses.
